

Visa® Traditional Rewards and Signature Credit Cardholder Agreement

PLEASE RETAIN THIS INFORMATION WITH OTHER FINANCIAL DOCUMENTS.

This Agreement covers each Visa credit card line of credit account (“Account”) you have with Purdue Federal Credit Union (“Purdue Federal”, “we” or “us”). The words “you” and “your” mean each and all of those who sign an Account application and any person authorized to access your Account or use your credit card. “Card” means a Visa credit card and any duplicates and renewals we issue. By requesting, signing, using or keeping your Card and/or Convenience Checks, you are agreeing to all the terms and conditions of this Agreement, Visa Application, Your Guide to Member Services, and the Fee Schedule, including the right to cross-collateralization and the granting of a security interest as detailed below.

1. Using the Account. When you are approved for an Account, Purdue Federal establishes a line of credit for you and notifies you of your credit limit when the Card is sent to you. In order for your Card to be valid, you must sign your Card as soon as you receive it. By requesting, signing, using or keeping your Card and/or Convenience Checks, you accept this Agreement. You agree not to let your Account balance exceed your approved credit limit. Each payment you make on the Account will restore your credit limit by the amount of the payment that is applied to the principal balance. You may request an increase in your credit limit by submitting an application, which may be approved by Purdue Federal. Purdue Federal has the right to restrict, increase, reduce or terminate your credit limit at any time without notice.

2. Using the Card. You may use your Card to make purchases in person or by mail, telephone or internet from merchants and others who accept Visa cards. In addition you may obtain cash advances from Purdue Federal, other financial institutions participating in the Visa program and select Automated Teller Machines (ATMs), such as Visa ATM Network, that provide access to the Visa system (not all ATMs provide such access). You will need to use your Personal Identification Number (PIN) to obtain a cash advance from an ATM. We will begin charging interest on your cash advance from the date of your cash advance transaction. Your card may not be used for any illegal transaction, including any illegal Internet gambling transaction.

3. Using Convenience Checks. We may supply you with convenience checks from time to time. You may use these checks to draw on your available line of credit on your Account. A convenience check drawn on your Account is a loan from Purdue Federal to you and will be treated like a cash advance under this Agreement. We will begin charging interest on the amount of the Convenience Check from the date of the Convenience Check transaction.

4. Overdraft Protection. If you have requested your Account to be used to provide Overdraft Credit Card Protection Plan (the “Plan”) for a checking account maintained with Purdue Federal, funds may be transferred from your Visa Account to the checking account in accordance with Your Guide to Member Services governing the checking account. All funds will be transferred in increments of \$100 and are processed as a cash advance under this Agreement and treated as such. Such transfers are loans by us to you. You will owe Purdue Federal for the amount of such transfers plus the applicable interest. You understand that anyone who is authorized to make withdrawals from the checking account may access your Visa Account through the Plan.

5. Responsibility. You agree to pay all charges, purchases, transfers, and cash advances made from your Account by you or anyone who you authorized to use your Account. Your obligation to pay the amount owed on your Account continues until paid in full, even though

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Cardholder Agreement.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied with your Credit Card Purchases.

If you are dissatisfied with the good or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

Purdue Federal Credit Union
PO Box 1950
West Lafayette, IN 47996-1950

Or email us at mbrservice@purduefed.com

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

28. Rewards. Your credit card purchases are eligible to earn rewards points that never expire while the Account is open. Full rewards terms and conditions were provided to you at Account opening or as they were updated and are available at our website www.purduefed.com.

29. Skip Payment Option. At our option, we may offer you the opportunity to not make a Minimum Payment during certain designated billing cycles (“Skip Payment Period”). If you do not make your Minimum Payments as provided in this Agreement during the Skip Payment Period, you understand that we will continue to apply interest charges to your Account. Beginning with the billing cycle following an allowed Skip Payment Period, all other provisions of this Agreement will apply. We have no obligation to accept your application for any Skip Payment Period offered, and you authorize us to investigate your creditworthiness including obtaining consumer credit reports. We may charge you an application processing fee of \$35 for each Skip Payment Period that we may offer to cover our costs of investigating your qualifications for this extension, including but not limited to the costs associated with researching your creditworthiness. You agree that we may amend the fee from time to time and by applying you consent to the applicable fee.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter.

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder or your balance.
- We can apply any unpaid amount against your credit limit.

an agreement, divorce decree or other court judgment to which Purdue Federal is not a party may direct someone else to pay the Account balance. If more than one person signed the Application, each is individually responsible for all amounts owed on the Account and all are jointly responsible for all amounts owed. This means Purdue Federal can enforce this Agreement against any of you individually or all of you together.

6. Making Payments. You promise to pay all amounts you owe on your Account, including any interest or fees. When you receive your billing statement you may pay the full amount due or a lesser amount, but the least you may pay is the minimum payment amount shown on your billing statement. Your minimum payment will be any amount that is past due, any amount exceeding your credit limit, plus the larger of 3% of your new balance or \$25 (the “Minimum Payment”). If we elect not to require a Minimum Payment for a month or longer period, the interest on your Account will continue to accrue at the applicable interest rate. Paying ahead and skipping a payment will not reduce your liability for interest charges in the month that you do not make a payment. Whatever you choose to pay, your payment must be received by us no later than the payment due date shown on your statement. All payments made to us must be in U.S. dollars. Mailed payments must be addressed as directed on your statement. Mailed payments received by 5:00 PM Eastern at that address will be credited the same day. In some cases, available credit may be delayed until payment is verified. We will accept late or partial payments without forfeiting any of our rights under this Agreement. Payments that are marked “paid in full” and that are of an amount less than the balance on your Account, or that are marked with any other restrictive endorsements, should be sent to 1551 Win Hentschel Blvd., West Lafayette, IN 47996, Attn: Loan Services.

7. Interest Charges. Interest charges for purchases, balance transfers, and cash advances are determined by applying the applicable periodic rate to the separate average daily balance for each category of purchases, balance transfers, and cash advances. Each average daily balance is determined by taking the beginning balance (of cash advances, balance transfers, or purchases) in your Account each day, adding any new purchases, balance transfers, or cash advances and subtracting any payments, credits, and unpaid interest charges and fees. The results are the average daily balances for each category. We then add together all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle to get to the average daily balance for each category. If a grace period applies:

(a) Purchases. Interest will be charged on a purchase posted during a billing cycle when the entire balance is not paid in full by the due date of that statement. Your due date is at least 25 days after the close of each billing cycle.

(b) Cash Advances. Interest will be charged on cash advances from the date of the transaction to the date paid in full. Interest accrued on cash advances will appear on your next statement. There is no time period in which to pay back the cash advance to avoid interest charges.

(c) Balance Transfers. Balance transfers will be processed as cash advances and interest will be charged from the date of the transaction to the date paid in full. Interest accrued on balance transfers will appear on your next statement. There is no time period in which to pay the balance transfer to avoid interest charges. We are not responsible for late payment or nonpayment of balances with other card issuers.

8. Monthly Payment. Each month you must pay at least the Minimum Payment shown on your statement by the date specified on your statement. You may pay more frequently, pay more than the Minimum Payment, or pay your balance in full. If you make extra payments or larger payments, you are still required to make at least the Minimum Payment each month your Account has a balance.

9. Payment Allocation. Subject to applicable law, your Minimum Payment will be applied to what you owe Purdue Federal in the following order: interest, fees, promotional rate balances,

cash advance balances, balance transfer balances, and purchase balances. Excess payments over the Minimum Payment will be applied to the applicable balance with highest interest rate and any remaining payment to next highest interest rate in descending order.

10. Security Interest and Statutory Lien.

a. You acknowledge and pledge, specifically as a condition of your use of the Card and Account, that you have voluntarily granted to Purdue Federal a security interest in your shares and dividends on deposit in all your individual and joint accounts with Purdue Federal now and in the future. These other shares may be withdrawn unless you are in default under this Agreement. If your credit card Account becomes delinquent, this security interest may be used without further notice to pay all or any part of such delinquency. Shares and deposits in an Individual Retirement Account and any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest you give in your shares and deposits.

b. You also acknowledge and pledge to Purdue Federal a security interest in the collateral securing any other loan(s) that you have with us now and in the future, including any type of change or increase, and any proceeds from the sale of such collateral and of insurance thereon, not to exceed the unpaid balance of this loan. This security interest in collateral securing other loans does not apply to any loan(s) on your primary residence.

11. Default. You will be in default if a) you fail to make any Minimum Payment or other required payment by the date it is due; b) you violate any terms of this Agreement or fail to perform any of your obligations under this Agreement; c) your ability to repay is materially reduced by a change in your employment, by an increase in your obligations, by bankruptcy or insolvency proceedings involving you, or by your death or incapacity; d) you make any false or misleading statements in any credit applications or credit update; e) Purdue Federal, in its sole discretion, feels insecure and has a good faith belief that your ability to repay is impaired or you use your Account in a manner that may expose Purdue Federal to a risk of loss; or f) you use or authorize the use of your Card to make or facilitate any illegal transaction. When you are in default, Purdue Federal has the right to close your Account to future purchases, cash advances, and balance transfers, to cancel or inactivate your Card, and to demand immediate payment of your entire Account balance (after giving you any notice and opportunity to cure the default if required by applicable law). If immediate payment is demanded, you will continue to pay interest at the periodic rate charged before default, until what you owe has been paid and any collateral given as security will be applied toward what you owe or sold pursuant to law. To the extent permitted by law, you will also be required to pay Purdue Federal’s collection expenses, including court costs and reasonable attorneys’ fees.

12. Liability for Unauthorized Use. Your Purdue Federal Visa offers “zero liability” for unauthorized use. To obtain the “zero liability” status you must report any unauthorized use of your Account immediately. If you notice the loss or theft of your Card or possible unauthorized use of your Card or Account, you should notify us immediately by calling 800.627.3328, email us at mbrservice@purduefed.com or write to PO Box 1950, West Lafayette, IN 47996-1950.

13. Use of Card for Illegal or Risky Transactions. It is your responsibility to comply with all laws when using your Card and Account. You agree to hold us harmless for any damages or other liability arising from a transaction initiated by you or your authorized user for the purpose of conducting an illegal activity. We reserve the right to decline the authorization of transactions for activities we believe may violate law or pose significant risk to us or our members.

14. Changing or Terminating Your Account. Purdue Federal may change the terms of this

Agreement from time to time after giving you advance notice as required by law. Your use of the Card after receiving notice of a change will indicate your agreement to the change. To the extent the law permits, and indicated in the notice to you, the change will apply to your existing Account balance as well as to future transactions. Either you or Purdue Federal may terminate this Agreement at any time, but termination by you or Purdue Federal will not affect your obligation to pay the Account balance plus any interest, fees and other charges you owe under this Agreement. The Cards you receive remain the property of Purdue Federal and you must recover and surrender to Purdue Federal all Cards upon request or upon termination of this Agreement whether by you or Purdue Federal. If you choose not to accept any future change of these terms, your credit limit will be removed and your Minimum Payment will be calculated based on a five-year amortization schedule. To opt out of a future change to these terms, Purdue Federal requires written notice by electronic mail to mbrservice@purduefed.com or by postal mail to PO Box 1950, West Lafayette, IN 47996-1950.

15. Consumer Reporting Agencies. Purdue Federal may report information about your Accounts to credit bureaus. Any credits exceeding your balance will be transferred to your savings account within 30 days.

17. Foreign Transactions. Purchases and cash advances made in foreign countries and foreign currencies will be billed to you in U.S. dollars. The conversion rate to U.S. dollars will be made in accordance with the operating regulations for international transactions established by Visa U.S.A.
