Yes! I want to skip a payment this season. I have read and agree with the terms listed below.

*I/We understand interest will continue to accrue and I will pay more total interest on my loan(s). I/We further understand that exercising the skip a payment will extend the time it takes to pay off my loan(s) in full. I/We will continue to make the monthly payments after the original maturity date until all principal and interest is paid in full and our pledge of security shall remain in effect until the loan is fully repaid. I/We understand that our next regular payment will be due on the scheduled payment due date following the month we elect to skip a payment. I/We understand that in case of a Gap Insurance claim any additional amount incurred by this election to skip a payment may not be covered by the Gap Insurance contract signed at the loan origination. A \$35 administrative fee per skipped loan payment will be charged for the process. Please note that home equity lines of credit, private student loans, commercial loans, and first- and second-mortgage loan payments are not eligible for Purdue Federal Skip-a-Pay.
